

I met Gordon when I was 9 our, relationship stemmed from a friend of mine, [REDACTED]. On our first meeting we went to Papa Gino's for lunch. Over the next few years Gordon was like a father I never had. We usually went out on Sunday for a matinee movie or lunch, Gordon always had to bring me home before 5 because he had a meeting to go to. Then in early 1988 Gordon said he had taken a leave of absence from the priesthood. He claimed he didn't like it anymore. He started making offers to me about sex saying that there was alot of money out there if I knew how to earn it. He kept mentioning a friend of his that was a prostitute and that he made like \$600 for an hours work. I then told him it was against my morals. One day right after my 14th birthday we were painting a desk and he mentioned it again, I repeated as above and he said he wasn't interested in most things just cuddling and hugging. I told him that any act of homosexuality was gross and that I wasn't inteerested. The conversation was dropped. In October after several more offers were made I needed money for a homecoming dance. He again made the same offer. He said : he only wanted pictures. I said ok, because I had already tried pot on several occasions and liked it I figured if I let him take some pistures I would be able to use it as a way out of dealing with my problems. We went back to his house and I undressed in the bathroom. He had a camera and a tri-pod. When I came out he asked me to lay down on my stomach, and I repeated several positions and he ran out of film. so he took me home and I got \$20 and some change and a few ones. So later that week I needed more pot so I told him I had goty in some trouble and some kids wanted to beat me up. I then asked him for \$10 He asked me if I wanted to do some more pictures, this wass the second of three times that I agreed. It was the same as before. He asked me if I could get hard and I did. Then he ran out of film. I recieved \$50 this time plus he gave me \$5 to go in and get some cigarettes so I went in and got them. I tried to give him the change but he said to keep it. This was on a wednesday or thursday. The first time I believe was on a Sunday. The second time was on the following weekend and I let him take more pictures. No questions asked about why I needed the money so we went back to hiws house and he took some more pictures and it went the same as before edxcept he asked me to ejaculate. i finally did after an unknown amount of film. Then two weeks after Detective McLaughlin called me in.
